

SUPPORT FOR SPORT 2023/24

AN OVERVIEW OF SUPPORT FOR SPORT 2023/24

Introduction

The Support for Sport framework is now embedded within all recognised Governing Bodies of Sport and provides clear and logical pathways for sports to obtain assistance from Isle of Man Sport. This document outlines how the Support for Sport 2023/24 framework will assist recognised Governing Bodies of Sport in developing their sports.

Background

In 2019, Isle of Man Sport asked Governing Bodies of Sport to produce a three year development plan from which annual Priorities and Objectives (P&Os) were to be identified for their sport.

Following the appointment of a Sports Liaison Officer (SLO) in March 2020, sports were encouraged to align their P&Os with those of Isle of Man Sport over the last three financial years:

- Increase participation in sport across all levels from grassroots to elite
- Improve and develop coaching, volunteering and officiating to enhance performance across all levels; and
- Improve governance of local governing bodies and member clubs

Sports received the opportunity to discuss their P&Os in thorough detail with the SLO, who offered advice and guidance prior to the final submission.

Due to ongoing disruption as a result from Covid-19 over the last two years, Isle of Man Sport (through the SLO, Louise Corkill) have allowed sports flexibility to reallocate their agreed funding allocation where it aligns with their development plan and Isle of Man Sport's Priorities and Objectives.

Sports have been able to reallocate funding to other already agreed or new objectives as appropriate and Louise has encouraged sports to review and communicate any known underspend to Isle of Man Sport to ensure funds can be reallocated across sports where necessary.

Over the last 12 months, sports have been encouraged to review and update their development plans and set out their next development plan or strategy for the upcoming three to five years, in order that Support for Sport funding for 2023/24 onwards can be linked to their updated development plans. Where sports are still reviewing their development plans, Louise will be able to offer guidance and support to assist with this process, if required.

Current Situation

Through an internal review and following feedback from sports, official documents are now as user friendly as possible and we have kept the P&O documents identical to ensure familiarity and ease of completion for sports. Furthermore, the Isle of Man Sport website is being developed to be a useful resource for sports with information and resources aimed to help sports for the remainder of the sporting year and beyond.

Please continue reading the next page for further details on the Support for Sport 2023/24 timeline for the upcoming sporting year.

SUPPORT FOR SPORT 2023/24

TIMELINE FOR SUPPORT FOR SPORT 2023/24

Sport's Priorities & Objectives (P&Os) and Development Plans

SEPTEMBER - DECEMBER 2022

Governing Bodies of Sport (GBS) to review and update their 3-5 year development plans and establish their P&Os for the coming sporting year, where possible, aligning their P&Os with those of Isle of Man Sport:

- Increase participation in sport across all levels from grassroots to elite
- Improve and develop coaching, volunteering and officiating to help enhance performance across all levels; and
- Improve governance of local governing bodies and clubs

Your Sport Review

DECEMBER 2022 - JANUARY 2023

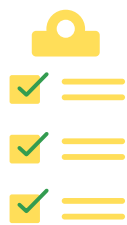

Louise will send a Review document to all sports in December which is to be completed and returned by the end of January.

The better informed Isle of Man Sport are in relation to your sport, the more likely we are to help your sport develop in the right areas.

Finalise paperwork & submission

JANUARY 2023 - MARCH 2023

GBS are encouraged to use the SLO (louise.corkill2@gov.im) who will assist with the P&O process ensuring that your documentation is best placed to receive maximum funding. From advising on what is likely or unlikely to be considered for funding, to final document submission, Louise is here to help!

Once sports are happy with their final document, they are to submit it directly to Louise via email no later than 31 March 2023.

What happens next?

APRIL 2023

Once the P&O process for your sport has concluded, the Sports Liaison Committee will recommend funding allocations to the Isle of Man Sport Committee, who will then ratify the recommendations.

Louise will then communicate the final funding allocations for each sport for the 2023/24 sporting year via email to each individual sport.
